

International Symposium of the Institute of Industrial Nanomaterials (IS-IINa 2024)

February 29 (Thu), 2024

At 100th Anniversary Hall, Kumamoto University

Opening address 9:55

Director, Prof. Shintaro Ida, IINa

Keynote lecture 10:00-11:00

“Cellular metamaterials”

Prof. Zoran Ren, University of Maribor, Slovenia

<Break 11:00-11:10>

Invited lecture 1 11:10-11:45

“Micro/nano-processing of metal plates using shockwave technology”

Assoc. Prof. Shigeru Tanaka, IINa

Invited lecture 2 11:45-12:20

“Cellular impacts of pulsed electric field and pressure wave”

Prof. Sunao Katsuki, IINa

Closing remarks 12:20

Deputy Director, Prof. Ichiro Akai, IINa

Oral presentations are scheduled in the afternoon for demonstrating the achievements through Domestic Collaborative Projects organized by IINa.
